## PINK LINE – TOUR ITINERARY

### Sunday: Copenhagen – Jönköping (330 km)

The tour starts with a sightseeing tour of Copenhagen, the capital of the Kingdom of Denmark. Reminiscent of childhood memory fairy tales, Hans Christian Andersen's **"The Little Mermaid"** is the inspiration for the famous statue which was transported to the 2010 Shanghai World Expo and is a true symbol to the Danish people. **Amalienborg**, our next stop is considered one of the greatest works of the Danish Rococo. Constructed in the 1700's, the architecture consists of four identical palaces connected by a square. If you are lucky you will see the ceremonial changing of the guards, an event that happens every afternoon. **The Hans Christian Andersen Boulevard** leads to a statue of this notable Writer on the City Square. The Danish fairy tale writer known for pieces as "The Ugly Duckling" and "The Little Mermaid" had

a known motto: "To travel is to live". He spent 43 years traveling between home and abroad, gathering a lot of his inspiration for his fairy tales and stories from his time overseas. After lunch we continue driving towards Stockholm.
